men's meeting. The application concerns a
tank that has been underground for about
25 years at 115 (rear) Fairhaven Road (in
the rear of Village Auto Body), explained
Christopher Hendricks, Hathaway office
manager.

The hearing was called by Fire Chief
Donald C. Wood because of the new EPA
regulations whereby all owners of under-
ground tanks had to report to the state
fire marshall's office and to register
with the local fire department. This is
when Hathaway realized they did not have
a permit, explained Hendricks. "We had
been assured in 1978 when the new owners
took over Hathaway that everything was in
order - evidently everything wasn't in
order," said the manager. He added, "we
cannot obtain the information as to when
exactly the tank was installed because
the former owners have died." He believed,
however, the installation was done in the
1960s.

Chief Wood told Selectmen he would have
to call for testing for leaks and a catho-
dic protection test (static electricity)
which should be done every two years. Wood
also suggested the wells in the area be
monitored.

Danny Chase, developer of land adjacent
to the installation, said he has just com-
pleted drilling for one well in the de-

velopment and is awaiting the results. He noted five more wells are going to be dug - all about 100 feet from the tank. Chase said he had no objection to the tank as long as testing is done annually and the monitoring is done 20 feet from the

tank.

Selectman John DeCosta said, "Because of this location in the heart of the water river valley it is our duty to be certain the water supply isn't contaminated. A leak could spoil our water forever." In speaking to the manager, DeCosta said it wasn't so much the size of the tank as it is the fact it has been underground for so long without being tested that is a concern.

Hendricks explained the tank is an integral part of their business. "We don't use it as often as some others, but we use it regularly, roughly 200,000 to 300,000 gallons per year." Selectman James Huntoon commented the \$1,000 it would cost to hire an engineer to check the tank would answer a lot of questions.

The board agreed to grant the permit with the provisions that testing be done as soon

as possible; that wells be tested within a 20 foot radius; that pressure tests be done on the tank; that the tank pass all state and local regulations; and that the results be reported to the Water Department and the Fire Department.

Although not of direct concern to the application request, a neighbor Helen Couto of 115 Fairhaven Road (front) said Selectmen should look around at the junk in back of her property before they make a decision. She explained the junk was not from Hathaway Oil Company. "You have never given us any trouble," she told the manager. Selectmen informed Mrs. Couto they

In other business, Selectmen:

MET WITH Town Counsel Donald J. Fleming to discuss a possible litigation problem concerning the trash collection contract. Fleming said a state General Law that has been on the books for awhile, but one with which he was not familiar, says "a company contracting with a town using motor vehicles must adhere to the highest prescribed wage (usually the highest union wage in the area)."

Fleming claims this law is new to him and to counsels of several other area towns. He said he plans to meet with the town counsels of two area communities (he preferred not to name them at this time because of possible litigation) and try to resolve this issue out of court. "If it is not solved among ourselves, we will go to Superior Court," Fleming said. With the new ruling under Proposition 2½, if the state requires an expense, the state will have to fund it.

The Mattapoissett Board of Health last Tuesday received one bid for the town rub-

MET WITH Police Chief James F. Moran and Harbormaster Steven Mach to discuss the Harbor Patrol boat. Due to budget restraints, the town did not vote any money to purchase a harbor patrol boat, but did vote funds to continue the operation if a boat can be volunteered as was done last year.

Chairman DeCosta said there is \$2,300 left in the budget for expenses. Chief Moran explained Officer Kenneth Pacheco has bought a new boat and is willing to volunteer it providing it can be kept in a safe place at the wharf. He stressed the presence of the patrol boat will help in preventing the violations that have been happening. His opinion was echoed by Mach who said Pacheco and Skip Faulkner were a tremendous help last year in operating the boat.

Mach said he received only two or three complaints from people protesting the use of the float for the boat. Selectmen felt the few complaints were offset by the fact the presence of the boat makes an impression on possible violators. They agreed

The SuperMortgage™ from Fairhaven Savings!

Yes, you can own your own house before you're old and gray. Yes, you can build equity faster and save thousands of dollars in interest.

It's called SuperMortgage, and here's how it works:

Instead of paying your usual monthly mortgage, you pay **half** your monthly mortgage every two weeks. Believe it or not, this sharply reduces the amount of your interest as well as the life of your mortgage.

To make things even easier, Fairhaven Savings Bank will deduct your SuperMortgage payments right from your NOW Checking Account. We'll even reduce your initial interest rate by $\frac{1}{4}\%$.

To find out more of the advantages of SuperMortgage, drop by any branch of Fairhaven Savings.

On another matter, Harbormaster Mach reported he plans to have the wharf swept down and driveway sealer applied, then re-stripe the parking spaces. Chief Moran reported the New Mexico owner of a bus for sale had it parked on the wharf and was told to move it. As of now, it has been parked in various places in town. The bus owners have a boat in the harbor, Moran said.

the slot created when Roy Andrews resigned from the board. The others are Stephen J. Lombard and Jimmie Price. A decision is expected next week.

Johnson, a retired employee of Texas Instruments in Attleboro, was a supervisor for 20 years and has been involved with wage reviews, semi-annually, on 20 to 25 production and skilled workers. Johnson commented in his letter, "The town of Mattapoisett has already set up job classifications and voted wages, which is excellent, and if used properly should ensure that town employees would be dealt with fairly, and at the same time, keep the finance committee apprised of the proposed action, so that prior to town meeting, it would be known what could be expected for any additional wage increases."

Jimmie Price of 7 Tupola Lane wrote that he has held the position of Manager of Safety and Security for the past 2½ years for a manufacturing firm in southeastern Massachusetts. Prior to that he was Industrial Relations Manager for six years where his responsibilities included job evaluation, recruiting and wage and salary administration for a subsidiary operation in southern California. GRANTED PERMISSION to two separate groups
to perform at the bandstand at Shipyard
Park this summer. George Murphy, ORR High
School Music Director, requested the date
of Tuesday, July 29th, to conduct a concert
from 6 to 8 p.m.

The second request was from Claire Bes-
sette of the Mattapoisett Arts Council for
the performance of a Dixieland Band Concert
on Friday, July 11th, from 7:30 to 10 p.m.
July 25 is the rain date.

PARKING AND OVERUSE OF NED'S POINT

Although not on the agenda, Selectmen
met briefly with Mr. and Mrs. Carleton
Burr of Ned's Point Road who questioned
the policy of parking and the overuse of
Ned's Point Park. Mr. Burr said there has
been an increase in traffic and it can be-
come serious if not well controlled. He
said if toilets are put back in, it will
need more police surveillance. Perhaps,
he said, there should be a charge for
out-of-town parkers.

Selectman Frank Suzan commented that
Mr. Burr can take the proposal to town
meeting to charge a fee, but how would

park.

Selectman James Huntoon noted Saturday and Sunday are busy times. Carol Adams, executive secretary, informed the board Peter Underwood, who conducts wind-surfing classes at Gibbons' beach, agreed to close off a separate area for windsurfers at Ned's Point to beach their craft rather than the public section. Harbormaster Steve Mach noted the economy is good and more people own boats. He said there was a problem last year when a windsurfer went out on a too windy day and "we had to go after him". Police Chief Moran noted he has received requests from out-of-towners asking how to get to Ned's Point Park and Reservation Beach.

Mr. Burr said his 7 year old dog was killed recently because of parked cars on Ned's Point Road by the Mattapoissett Boat Yard making it difficult for drivers who were traveling at excessive speed for the area to stop in time when the dog emerged from behind the parked car.

Tire Pile Reduced

STORY AND PHOTOS BY VIRGINIA ARRAL

The huge pile of old tires at the Mattapoissett sanitary landfill was reduced to a small pile of shredded rubber with the operation of the shred-a-saurus, owned by Vernon Resource Systems, Inc. of Middleboro. The company is making its initial step into shredding the tires in Mattapoissett, the first community in the area to take advantage of the new concept.

The fact the tires can be buried along

SELECTS PROJECT SPOTLIGHT PARTICIPANTS

Four students from Old Colony Regional Vocational Technical High School have been selected to participate in the Spotlight Program at Southeastern Massachusetts University next semester. Christopher Franks, Michael Gajewski, Kimberly Kallio and Tracy Linhares, members of the class of 1988, were selected from the top ranking sophomores at the school.

The Spotlight Program at Southeastern Massachusetts University is an enrichment activity which provides a bridge into higher education for high potential 10th and 11th graders. The curriculum introduces students to the larger realm of creative intellect, artistic endeavor, social consciousness, and personal commitment.

The Old Colony students will join students from Greater New Bedford Vocational, Diman Vocational, New Bedford High School, Bishop Stang, Seekonk and Tiverton High Schools in the Spotlight 2 Program.

Chicken Barbeque and Fair

PLEASE! DON'T BEGIN SUMMER WITHOUT IT!

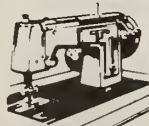

What's doing up in Rochester country this
coming Sunday, June 29th?

Well, from 12:00 noon until 6:00 p.m.
they are having the ANNUAL CHICKEN BARBEQUE
at Saint Rose of Lima Church.

It's their 25th ANNUAL BARBEQUE, and,
with 25 years of experience, they plan
the best ever BARBEQUE CHICKEN feast.
It's truly an old-fashioned COUNTRY FAIR
featuring the now-famous, luscious, full
dinner of super barbequed chicken.

There will be a lot for the family to
do at the Country Fair - games and chance
booths, refreshments and beverages,
auction and bakeries, and music for
listening and music for dancing.

year, the 5th of August, and to this community the 10th. I have been spending a year of my life with the wonderful people here in Marion, and I was a senior at Old Rochester Regional High School, where I spent most of my time with great people of this school. It's been a great experience for me, living here, meeting people, attending ORR, learning the language and culture, participating in various sports and discovering the excitement of skiing, learning to enjoy the football and the

Patriots with their best season ever, following the Bruins, and celebrating the victory again of the Celtics. It's so many memories and I'm so pleased with this community and all these warm people in Massachusetts who were so nice to me that make this year unforgettable. That's the reason why I'm writing this letter to thank you all.

I want to thank very specially my family here in the U.S.A., the Ainslies, who now are my family too, Mom, Dad and my 4 sisters, Kristi, Holly, Laurel and Heather; who I love, and they will have always a special place in my heart, I love you! Also my family back home that supported me and gave me this chance, Mom, Dad and my brother Andrea. To all the community who got to know me, to Mr. Murphy, our principal, my teachers, the staff, and of course my friends at ORR; to the A.F.S. Club who planned activities and its good director, Mr. Ellis; Mr. Grondski for giving me a chance to enjoy the skiing, to all my friends at Skate Plus, who gave me a great time the whole year, and my coach, Joe Carvalho.

I hope more people get into the program, becoming exchange students or host families. It's a great experience and "it helps us to realize that the world is only one, that we all live on it and is ours, so our responsibility to keep peace".

FREEDOM IS GOOD FOR YOUR HEALTH

Freedom is good for your health because among your rights is the freedom to select the doctor of your choice. And that brings up the quality of health services you get. Nobody dictates who shall treat your body; that should be your personal decision.

To herald the importance of freedom of choice, cooperating doctors of chiropractic throughout the U.S. are contributing to the treatment of a lady who represents American freedom. She is our renowned Statue of Liberty.

For every patient visit, \$1.00 will be contributed by our clinic in the patient's name for the repair of this monument of freedom.

Chiropractic is dedicated to the health of America.

the Roman Catholic, Congregational and Episcopal Churches in Marion who gathered together for breakfast in an atmosphere of relaxed informality to witness the presentation of the Joe Tomlinson Fellowship Award for 1986, which is named for one of the founders of the organization.

Selected as this year's recipient was Richard Irving (Dick) Arthur, President of Sippican, Inc., who was chosen because of his community concern and activities in the tri-town area unrelated to his business responsibilities.

The award reads as follows:

WHEREAS Fellowship is one of the bonds of happiness in life and;

WHEREAS the sharing of talent, strength, and time with others is a form of Fellowship and;

WHEREAS the Fellowship or maturity shared with youth builds for the future and;

WHEREAS concern for wildlife is man's Fellowship with

We wish to thank the Mattapoisett Congregational Church Couples Club and Mr. and Mrs. Frank Martocci for their generous contributions. Our goal now stands at \$1,027.22.

Westport is the latest local community to hold a Household Hazardous Waste Collection Day. Help us reach our goal so that we can join the communities working to stop polluting the environment.

Did you think that when you threw away old paint, a box of moth balls, or a bottle of furniture polish that they are hazardous waste? Many people dispose of these items by putting them in the weekly trash pick-up. These materials can harm the environment.

If you can make a small contribution we will soon get to the top! PLEASE send YOUR

On Saturday, June 14th, a Bicycle Inspection and Rodeo was held on the Center School grounds by Safety Officer Stan Ennis, with the help of the Mattapoissett Police Department and the parents of Girl Scout Troop 29, under the leadership of Mrs. Mary Ann Amoruso.

Officer Ennis said there were 37 youngsters registered at the five inspection stations and participating in four events in the Rodeo. Awards were given in the first to sixth place for girls and first to sixth place for boys. The annual event is held in conjunction with BICYCLE SAFETY WEEK, which was proclaimed by the Board of Selectmen as May 18-24 this year. The Rodeo, originally scheduled for June 7th and postponed because of the weather, was

Lions Club.

Lions Bill Armstrong and Ernest Smith were instrumental in organizing the Rochester Lions Club in April 1966. The club was sponsored by the Fairhaven Lions and the Mattapoisett Lions Club.

Past International Director Smith reviewed the progress of the club and its members over the past years, congratulating the club for having among its members Past District Governor Harry A. Brown who served the District 33-S Lions Clubs in 1980-1981. Smith recalled that the Rochester Lions Club was the first

Secretary/Treasurer Brown's son, Lincoln, was the first representative to the International Convention representing the LEO clubs of Massachusetts. The Rochester Lions also co-sponsor the Tri-Town Lioness Club.

Lion Bill Armstrong charged the officers and members of the club to continue their Lionistic endeavors in the future as they have in the past, congratulated the club for its efforts in behalf of blindness, hearing impairment and drug abuse as well as its many community contributions such as the handicapped ramp at the Town Hall and the sponsoring of celebration parades for the town's 300th anniversary of founding in 1979 and incorporation in 1986.

TOWN OF MATTAPOISETT

THANK YOU

On behalf of the residents of the Town of Mattapoisett, the Board wishes to extend a "SPECIAL THANK YOU" to Albert Sylvia, Jaime Leger and Doug Schneider for their assistance in repairing the benches at Shipyard Park. Also, our gratitude is extended to Butch & Lynette Tripp, Donna Trott, Melvin Trott, Nick Nicholson, Gail Gill, Betty Smith and lastly David Peterson with his invaluable spray gun.

Without the time and efforts donated by these concerned citizens, townspeople would be unable to relax and enjoy the beautiful view of our Harbor.

Many thanks.

AUXILIARY'S JR. PAST PRESIDENT HONORED

The Benjamin D. Cushing Auxiliary's junior past president Joyce McWilliams was honored at this year's convention by being chosen as Outstanding President of the Year in her division. The decision is based on reports turned into state headquarters from all over the state. There are four divisions throughout the state consisting of 180 auxiliaries, with a winner and runner up in each.

Ms. McWilliams was presented the awards by State President Jane Atkins Wood.

Since joining the Auxiliary in 1968, Joyce has been very prominent in the VFW organization. She has held several chairmanships and elected offices on the local level, including the office of president for three terms.

She has been active on the District level by serving on several committees, holding the office of treasurer for 7 years and serving as District President for '78-'79.

On the State level, Joyce currently holds the office of State Chaplain, has served on several committees as well as holding chairmanships for Hospital and Community Service.

Pesticide Study, Marion

MARION BUZZES ABOUT MOSQUITO PESTICIDES

The use of widespread spraying of pesticides for mosquitoes is being phased out in favor of natural controls according to W. Michael King, Assistant Superintendent, Plymouth County Mosquito Control Project, who spoke before the Marion Pesticide Study Committee in the Marion Town House on June 17th.

Mr. King gave a detailed slide presentation on mosquitoes in which he covered the control techniques now being used in source reduction, larviciding, and adulticiding. He traced the life cycle of mosquitoes of which there are several species explaining that while some lay eggs in water others lay eggs in mud where they may remain dormant for up to three years before hatching after a heavy rain.

Although mosquitoes may travel five miles from their breeding place, many remain near their hatching area and each property owner should make sure they have no stagnant water containments such as an old automobile tire which collects rain where mosquitoes can incubate, Mr. King said. As there are both fresh and salt water mosquitoes, they can breed where there is water stagnation of either kind.

Mr. King showed slides of marsh areas where heretofore there were drainage ditches

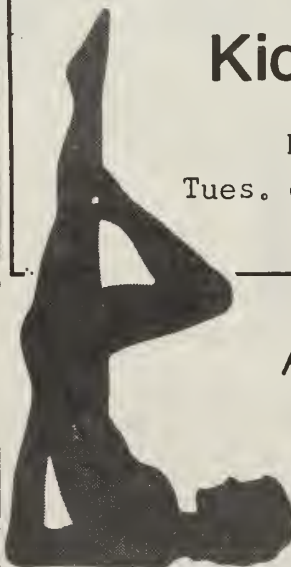

that now are being changed into water containments stocked with small fish which eat

the mosquito larvae. He said this is an example of working with nature which is expected to be very successful and that there is already a project of this type being developed in Marion.

Following Mr. King's talk, the Pesticide Committee devoted some time to the study of the Pesticide Reform Act H 5424 which has been presented by the Massachusetts Association of Health Boards, Inc. in an effort to regulate pesticide application made to turf in Massachusetts. The bill would require the applicator to leave at the residence the name and license number of the applicator, the name of the pesti-

STENCILING CLASSES AT ASHUMET

Classes in Country Stenciling are scheduled at the Massachusetts Audubon Society's Ashumet Holly Reservation in East Falmouth. The classes will be held on Tuesdays, July 8, 15 and 22, from 9:30 a.m. to noon. This is an opportunity to learn how to cut stencils and apply paint to decorate walls, furniture and colonial accessories. Elvira Fitzsimmons will be the instructor and all supplies will be provided.

The fee for the three classes is \$15. (\$12. to members of MAS) and advance registration is required. Students should bring a notebook and pen. For further in-

N.Y. Parade on Ernestina?

SCHOONER ERNESTINA OFFERS SPONSORSHIP
FOR FOURTH OF JULY

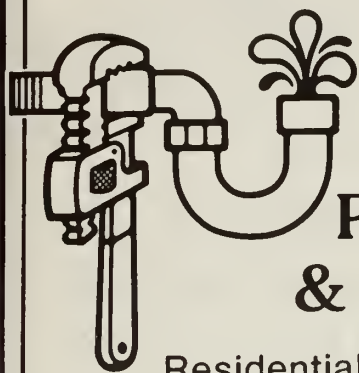

The Waterfront Historic Area League (WHALE) is inviting members of the public to be on board the Schooner ERNESTINA during OPSAIL '86 - A Salute to Liberty in New York City July 3 and 4. The 1894 schooner will be up front in the largest parade of sail in history. She is the only ship that actually brought immigrants to the United States under sail that is participating in the once-in-a-lifetime Statue of Liberty Centennial Celebration.

Individuals contributing \$500. or more to the restoration and outfitting of this famous schooner will be invited on board the ERNESTINA as she participates in one of the two parades of sail on the third and fourth of July. Every tall ship in the world has accepted an invitation to participate in the greatest sailing ship event ever, and the ERNESTINA will be in a place of honor for the exciting event.

WHALE is assisting the Massachusetts Schooner ERNESTINA Commission in ad-

is pleased to announce the scheduled opening of a new branch office in September, 1986. The office, to be managed by Michael J. Cambra, Realtor, will be located in the Fairhaven Center for Business on Alden Road. This location offers easy access from either Route 240 or Alden Road and will provide the opportunity to serve the people of Fairhaven, Acushnet, Freetown and New Bedford.

The Mattapoisett office at 8 Water Street will work hand-in-hand with the new Fairhaven office to bring the residents of all the surrounding towns the same professional services which the public has become accustomed to over the last fifteen years.

Licensed real estate sales professionals looking for a rewarding career with a very successful company should contact Mike Cambra for a confidential interview.

Studebaker gives about 50 performances a year. The company has toured legitimate theaters, art festivals, colleges, museums and schools in the U.S. and Europe since 1978. They have performed at the Museum of Fine Arts, Harvard University, Worcester's New England Mime Festival and Boston's First Night Festival to name a few appearances.

The performance is funded in part by a grant from the New England Telephone Company and the Massachusetts Council on the Arts and Humanities through the New England Foundation for the Arts.

Membership, as well as admission tickets to the Museum for the day, will be honored for this performance and will include admission to all the Museum buildings, exhibitions and grounds. Tickets are \$5. for adults, children under 12, \$2, five and under are free. The Museum encourages families to enjoy a picnic lunch in the picnic area outside the Main Gate. Picnicking is not allowed on the Museum grounds.

INTERTRIBAL TRADING PLANNED AT
PLIMOTH PLANTATION ON JUNE 28

Native people from the area will gather
in the Wampanoag Summer Campsite at Plimoth
Plantation on Saturday, June 28th, to
reenact a day of intertribal trading.

Visitors to the outdoor museum will see
members of the Namasket and Pokanoket Indian
bands exchange trade goods and hand-
crafted items.

Call us about our House Parties

Hours: 10 to 5 Daily, 10 to 8 Fridays,
12 to 5 Sundays; closed Wednesdays.

To the 17th century Wampanoag people,
trading was an important way of expressing
social and political relationships. On a
personal level, the exchange of material
goods represented an exchange of friend-
ship. Ritual exchanges between Wampanoag
bands encouraged peace and cooperation,
and created alliances that were also based
on kinship ties.

The visiting Namasket band will arrive
at the Campsite at 10 a.m. Trading
will begin at 1 p.m., followed by a tradi-
tional native feast of shellfish, fish,
succotash, partridge, corn cakes, squash,
water and herb tea. Throughout the day,
visitors will be invited to join the Wampa-
noag in songs, dances and games.

The Wampanoag Summer Campsite is an ex-
hibit of Plimoth Plantation, the living mu-
seum of 17th century Plymouth. Other ex-
hibits include the nearby 1627 Pilgrim Vil-
lage and Mayflower II, on the Plymouth
waterfront. Admission to the Village and
Campsite is \$6.25 for adults; \$3.75 for
children 5 through 12; children under 5 are
admitted free.

Review Courses-PSAT & SAT

Registration is still being accepted for summer review workshops on the PSAT and SAT (Preliminary and Scholastic Aptitude Tests) to run July 8 through July 31 at Southeastern Massachusetts University. The courses are being offered through SMU's Cooperative Learning Center.

The program will include a pre-test to determine each student's strengths and weaknesses, instruction in taking tests, and strategies for mastering each area of the verbal and mathematics sections of the test. The emphasis of the curriculum will be on intensive vocabulary building and a complete mathematics review.

8 p.m. on the Plymouth waterfront (rain date July 5, same time and place).

As Rudolf Schlegel conducts the orchestra in the 1812 Overture, black powder cannons and howitzers situated on the waterfront and steeple bells throughout Plymouth will join in the music's dramatic finish. Battery A 1st Division, 101st Artillery of Brockton is providing the howitzers. The joyous pealing of bells will sound from Christ Episcopal Church, First Baptist Church, First Parish in Plymouth and the clock tower at Post Office Square.

The Pops Concert closes with John Philip Sousa's rousing "Stars and Stripes Forever" and the raising of a dramatically spotlighted 48' x 23' American flag at Plymouth Rock. The flag, which is receiving its premiere at this concert, will be used in special presentations across the country this summer as part of a National Flag exhibit. As such, it will be raised at Mt. Rushmore and the Custer National Battlefield, among other places. The flag is courtesy of The Flag Center of Cambridge and is being presented by Orchestrations Inc. Educators' Law Course

The Old Rochester Professional Educators' Association announces the approval by the Old Rochester Regional School Committee of the following 4-hour, three in-service credit course: THE TEACHER, THE CHILD AND THE LAW, PART II.

The course will be taught by Attorney Richard D. Brown, Director of the Lincoln Filene Center's Law Program, and will be offered August 11-15 in the Old Rochester Regional High School Library. The course will include field experiences.

Enrollment is open and interested parties should contact Janis Andrews-Johnson at 758-4928 or 758-2155. There is no prerequisite for this course and credit may be applied for super maximum or for level changes, but not for both. Tuition is \$125.00 and checks should be made out to ORPEA, Attention Mrs. Janis Andrews-Johnson. Deadline for enrollment and payment is July 15th. Checks should be sent to the Junior High School.

Flea Market

A Flea Market, sponsored by St. Patrick's Summerfest '86, will be held at the Town Green in Wareham Saturday, July 5th, from 8 a.m. to 4 p.m. There will be crafts, flea market and refreshments. To reserve a table, \$15.00, call 295-3949 or 295-1339.

SHRUBS AND TREES - A CLOSER LOOK

Though the maritime forest of southeastern Massachusetts is dominated by red and white oak and two or three species of hickory, dozens of other species of trees and shrubs thrive in this unique habitat. On Sunday,

June 29th, from 1:30 to 3:30 the Lloyd Center for Environmental Studies will offer an interpretive walk exploring the ecology and natural history of woody plants on the Lloyd Center property. Participants will have an opportunity to use keys and field guides to identify shrubs and trees by leaf, bark and flower.

terion Theatre as part of the theatre's Summer Classic Film Series. One of Joseph L. Mankiewicz's greatest films, All About Eve, which will be shown at 2:00 p.m. and 7:30 p.m. on Monday, June 30, stars Bette Davis and Anne Baxter. General admission tickets are available at the Zeiterion box office and all regular Zeiterion ticket outlets at \$2.50 for adults and \$2.00 for seniors and students.

In addition to Ms. Davis and Ms. Baxter, George Sanders, Celeste Holm, Thelma Ritter, Alfred Newman, and Marilyn Monroe appear in All About Eve, the definitive movie about show people. Bette Davis portrays an aging Broadway actress who is deceived by her calculating protege, Anne Baxter. Mankiewicz collected two academy awards, as writer and director, for this film, which also received the New York Film Critics Award.

A cartoon short and episodes two and three of Flash Gordon starring Buster Crabbe will be shown before the feature film.

The theatre's classic film series continues next Monday, July 7th, with a great American western, My Darling Clementine, starring Henry Fonda and Victor Mature.
